

DEPARTMENT OF SOCIOLOGY
GOVERNMENT DEGREE COLLEGE RAMNAGAR, UDHAMPUR
SUBJECT: SOCIOLOGY

Learning outcomes Based Approach In B.A Sociology

1: Sociology programme(B.A) is a practice based discipline and prepares its students for achieving the objectives through interventions in real life situations which are dynamic in nature.

2: The Course offers individualized mentoring to every student and comprised of class room teaching involving interactive pedagogy and skill/field work practicum.

3:The class room teaching in sociology in this Ramnagar college is directed towards familiarizing the students with inter-disciplinary theoretical perspectives, principles and skills required for sociological interventions and developing students' personality through inculcation of democratic and humanitarian attitude and values.

4:The six days of the week are devoted to the class-room teaching experience.

5: Field work is a practical experience part of sociology which is purposively arranged for the students. In field work, field will be a setting (a social welfare and/or development agency or open community) which offers avenues for students' interaction with client and client system, where they will apply sociological methods, principles, skills and techniques under the guidance of faculty of the respective colleges.
