**Agenda: Identification of areas of concern and strategies to improve upon weak areas.**

After submission of AQAR 2022-23, the IQAC committee identified various areas of concern on the basis of seven-criterion of NAAC, that needs to be managed on priority. The IQAC thread-barely deliberated on these issues in detail and unanimously resolved:

1. That the process to collect data for AQAR for the academic year 2023-24 will be taken up soon.
2. College Newsletter committee shall expedite the process for publishing Newsletter for the academic year 2024-25
3. That a committee should be constituted to explore the conduct of Academic Audit of the institution.
4. The institution is not having any course which include learning through project work, field trips and internships. However, field trips particularly in the subjects of Botany, Zoology, Geology and Environmental Sciences need to be increased for experiential learning and data collection.
5. The institution needs to double the efforts for slow learners by conducting remedial and extra classes. For advanced learners special programmes need to be conducted to enhance and hone their academic performance.
6. Mentor-Mentee scheme of the institution should be restructured and made active to facilitate learning, development and growth of the students.
7. The examination committee of the college may be asked to frame mechanism to deal with internal examination related grievances and issues.

*R. Kumar*

8. The institution must conduct Conferences/Seminars/Workshops on IPR, Patents, Research Methodologies, Copy Rights, Different Research Fields particularly in the Major subject's college is offering.
9. All the HOD's of the departments should be advised to conduct departmental or extension activities which are in sync with the requirements of NAAC.
10. The institution need to establish linkages/collaborations with University, Industry, Corporate Companies etc. for faculty exchange, student exchange, internships and on-Job training of the students. For this, feasibility need to be explored to sign MOU's with these bodies.
11. The student computer ratio of the institution is low. This ratio needs to be increased in future.
12. A policy document of complete procedures for maintaining and utilizing Physical, Academic, Laboratories, Library, Computers, Sports facilities etc. need to be framed at the earliest.
13. The institution need to conduct capacity building and skill enhancement activities on soft skills, language and communication skills, ICT/computing skills for students and staff.
14. Career Counselling Cell of the college should start coaching for CUET PG entrance, JAM etc.
15. Record of the students progressing to higher education needs to be maintained.
16. The institution needs to increase its participation in sports and cultural activities organised locally, regionally or nationally.
17. Permission may be granted to hold elections for constituting College Student Council/Presidium
18. The teaching and non-teaching staff needs to be provided more opportunities for attending Professional Development Programmes viz., Orientation Programme, Refresher Course, Short Time Course etc.
19. That the college is not offering any certificate course or Ad-on course. A committee should be framed to explore the possibility of starting few new certificate/Diploma/Value Added Courses in the next academic session.
20. Activities on gender equity be increased in the institution in the next academic session.
21. Number of MOU's with other institutions, industry, corporate houses etc., need to be increased for faculty exchange programmes, student exchange programmes, student internships, field activity and skill based trainings to the students.
22. That NAAC orientation of all the teaching and non-teaching staff along with select number of students nominated by the department will be conducted soon.
23. That parent-teacher and alumni meet may be conducted at the earliest.
24. A committee should be constituted to explore the use of Solar Energy and rain water harvesting in the institution.
25. An Eco Crew Team needs to be constituted to conduct the campus waste audit to identify the plastic currently used inside the campus. The team will start working to make campus plastic free.
26. A vermicompost pit need to be prepared/constructed in the campus for converting biodegradable waste into manure.

R. Kumar

27. The institution needs to go through quality audits on environment and energy. Concerned committees need to explore the possibility of conducting these audits in the next academic session.
28. The internet facility through Wifi must be provided to all the departments, in the smart class rooms, staff room and in the college browsing centre throughout the clock.

The minutes submitted to the Principal for information and approval. The meeting ended with the vote of thanks to the chair
