**Agenda: Regarding college infrastructure & preparation of NAAC 2<sup>nd</sup> Cycle.**

The committee discussed in detail regarding the agenda and resolved the following:

- 1) That a rain water harvesting tank shall be constructed on suitable land to cope up the shortage of non-potable water in the campus.
- 2) That the concerned department (PWD) be approached to expedite the construction work of the two labs so that they can be made functional from the next session.
- 3) That the college don't have girls common room which is utmost requirement particularly for the girl's students. The concerned department be approached for DPR so that same can be sent for sanction to the higher authorities. It is proper to mention that strength of girl's students is more than the male students.
- 4) That college has more than 1000 students and there is no proper canteen in the campus. Again the concerned department may be approached for DPR at the earliest so that the same can be timely submitted to the higher authorities for its sanction.
- 5) That the IQAC to conduct the Student Satisfaction Survey (SSS) as per the guideline of NAAC.
- 6) That members of IQAC to collect the feedback from different stakeholders (Teacher, Students, Parents, Alumni etc.) on different parameters regarding the syllabus of different streams.
