**Action Taken on the Feedback of Students/Parents/Teachers at the Institute
Level (2023-2024)**

S. NO.	FEEDBACK	ACTION TAKEN
1	Canteen Needs to be upgraded and number of edibles need to be enhanced.	DPR for Permanent Canteen has been made and sent to administrative authorities. The contractor of present temporary canteen has been advised to add more variety of freshly cooked dishes so that students and staff can have a rich experience of a decent canteen.
2	Cleanliness in washrooms needs to be checked as sometimes cleanliness is compromised.	Concerned staff has been directed by the Principal to clean each washroom on daily basis. Moreover, soon new Toilets will be operational in the New Science Block.
3	Continues Water Supply needs to be made as sometimes water supply is curtailed in washrooms.	Due to unannounced power cuts, water supply used to be hampered. Now the motors are powered by Generators. Concerned staff has been directed to ensure proper filling of water in tanks and their maintenance. Many a times water supply to college is also hampered in such cases water is being outsourced.
4	College should arrange for Transportation	Life span of the College bus is over. Higher authorities have been conveyed about the requirement of bus. Soon something positive is expected in this regard.
5	Discipline and Proper Uniform	Discipline Committee was conveyed by the Principal regarding feeling of students about discipline and uniform. Convener of the committee ensured that proper discipline will be maintained in every nook and corner, by frequent and sudden visits by the committee members. Principal also directed all faculty members to check the uniforms in their respective classrooms.

8	Provision of Hostel Facility	Hostel is not operational due to non-availability of concerned staff (Wardens, cooks, caretakers and Sweepers etc.). Higher authorities are approached to appoint required staff for running the hostel smoothly.
9	Direct communication and proper Information.	For communicating the office notifications, date sheets and other relevant information, Whatsapp groups for every class are already functional. Also every block of our institution is provided with notice boards. Moreover, faculty continuously sensitize the students about the relevance of Notice Boards, WhatsApp groups, emails etc. created for dissemination of information.
10	Face Lifting and beautification of the college.	Face lifting is already going on. New tiled pavements towards the class rooms and science block are being constructed. Staircases have been renovated and soon after renovation process whitewash and paint will be carried out. Beautification Committee of college has planted many ornamental plants. Other measures to beautify the campus will be followed in coming time.
